Aadhar no. _____ email _____, agree with **Aujla Cricket
Welfare Club (ACWC)**, a society registered at Panchkula (**registration no. HR-001-2026-

Panchkula, Haryana. The instructions given as follows. In this document, "my ward" means my
son / daughter / ward named above.

1. That this undertaking-cum-consent is for the cricket season from ____/____/____ to
____/____/____. Registration as a player or trainee does not confer Society membership
or voting rights on my ward; Society membership remains governed by the registered Bye-
Laws, including the minimum age requirement.
2. That the Club will give my ward coaching/training, use of its training ground and
equipment, and playing kit (when and if available). If my ward is selected by the club to
playing in tournaments whether In India or Outside India (Subject to Immigration Rules),

then the Club will pay my ward's entry and registration fees, travel and refreshments for the tournaments in which my ward plays for the Club. I understand that use of bowling machine, for free, is only for players officially registered with ACWC Academy.

3. The Club may distribute tournament prize money to eligible players in accordance with written tournament-wise prize-distribution rules supplied before participation. Any share already accrued to my ward under those rules shall remain payable notwithstanding a later departure, subject to lawful adjustments. Payments shall be made to the guardian-designated account with appropriate records.
4. That I consent to the Club promoting my ward as a player on its website and social media, and using my ward's name, photographs, videos and match records for this purpose. The Club will not show my ward's phone number, address or school. I may withdraw this consent in writing at any time.
5. That I shall make sure that my ward attends training, and plays for the Club in its tournaments in this season when the Club selects my ward.
6. I shall ensure my ward complies with applicable tournament eligibility and registration rules and does not play for another team in the same tournament where doing so would conflict with the ward's confirmed registration for the Club.
7. I shall inform the Club about other matches that clash with confirmed Club commitments and seek reasonable scheduling approval in writing (including WhatsApp). This shall not restrict school/college fixtures, recognised representative cricket, or other non-conflicting participation.
8. That I shall inform the Club within 1 day of any injury or illness of my ward.
9. That I shall make sure that my ward follows the rules and code of conduct of the Club.
10. That I consent to my ward travelling with the Club for tournaments, under the supervision of the Club's coach or team manager.
11. That if my ward needs urgent medical treatment and the Club cannot contact me, the Club may arrange treatment at the nearest hospital, and will inform me immediately and I will reimburse the expenses.
12. The Club will provide age-appropriate supervision and comply with its documented child-safeguarding procedures for training, travel and tournaments. It shall designate and communicate a named adult Child-Safeguarding Officer, with an alternative contact, to receive concerns; the designated/present captain may assist but shall not be the sole safeguarding contact.
13. That the Club will give my ward leave for school and college examinations. My ward's studies will come first.
14. That if, during this season, my ward is selected for a District/State/UT team, or for a team in any tournament recognised by BCCI or a state association (for example, the Cooch Behar Trophy, Vinoo Mankad Trophy, Syed Mushtaq Ali Trophy, Vijay Hazare Trophy, Ranji Trophy or IPL):
 - (a) the Club will allow my ward to play in it, and my ward's absence from Club matches for this reason will not count as leaving the Club;

- (b) I consent to my ward taking part in up to 5 promotional activities of the Club or Outside Club in this season, at times that do not clash with my ward's team duties or studies, and in my presence or under the Club's supervision;
- (c) the Club may use my ward's name, photographs and selection in its advertising and promotional material;
- (d) I shall not claim any fee or payment from the Club for these activities. The Club will pay reasonable travel costs for them; and
- (e) my ward need not do anything that breaks the rules of BCCI, a state association, or any contract with my ward's team. The Club will use my ward's name and image only to promote the Club and its activities, and not to promote any other business or brand, including a donor of the Club.

If my ward leaves the Club during the season

15. That if my ward leaves the Club, or stops playing for it, during the season without the Club's written consent:
 - (a) my ward shall retain any share of prize money already accrued under the written rules; only future, unearned awards may cease on departure;
 - (b) the Club will stop all sponsorship for my ward, including kit, entry fees and travel;
 - (c) the Club will stop promoting my ward, and may remove my ward's profile from its website and social media;

 - (e) The Club shall give me an itemised written claim with invoices and allow 15 days for payment.
 - (f) my ward shall comply with the eligibility/transfer rules of any tournament in which already registered, but this undertaking imposes no general restriction on playing elsewhere after leaving the Club.
16. The Club may end participation for a serious breach of written and communicated Club rules following written notice to me and a reasonable opportunity to respond, except for a necessary temporary safety suspension.
17. That if my ward becomes 18 years old during the season, my ward will sign the Club's undertaking-cum-agreement for adult players for the rest of the season.

General

19. That the Club may send messages and notices to me by WhatsApp or email at the number and address given above.
20. That any dispute will first be discussed with the office-bearers of the Club. If it is not settled, only the courts at Panchkula will decide it.
21. That I have read this undertaking-cum-consent, or it was explained to me in Hindi / Punjabi; that I had time to think about it; and that I sign it of my own free will.
